Dear Parent/Carer,

**Notification of Estyn Inspection**

We are writing to inform you that the school has received formal notification of an Estyn inspection, which will take place between Monday 1 June and Wednesday 3 June 2026.

We look forward to working with Estyn during the inspection and are excited to celebrate the many strengths of our school community. The inspection process also provides a valuable opportunity to reflect on our work and to continue developing our school further with Estyn's support.

We would like to reassure you that, as always, the wellbeing and care of our children remain our highest priority. There is nothing for pupils to worry about during the inspection. Our children are very familiar with visitors coming into school and spending time in classrooms, and the inspection will be conducted as part of our normal school day with minimal disruption. Staff will ensure that routines remain calm, supportive, and consistent for all learners.

As part of the inspection, Estyn inspectors will want to hear the views of pupils, staff, governors, and parents/carers. Estyn has requested that parents and carers complete an online questionnaire, which provides an opportunity to share your views about the school. Please use the following link or QR code to complete the questionnaire:

Parent/carer questionnaire:		<a href="https://www.smartsurvey.co.uk/s/BS0MXY/">https://www.smartsurvey.co.uk/s/BS0MXY/</a>
Advice from Estyn: Once you have completed the questionnaire, please close the window and avoid pressing the 'back' button on the browser.		

In addition, there will be an opportunity for parents and carers to meet with inspectors on Monday 1 June at 3.40pm, in the main hall. We encourage parents and carers to attend this meeting, as it provides a valuable opportunity to share your views directly with the inspection team.

Thank you for your continued support and cooperation. We value your involvement and look forward to working together during this important time for our school.

Yours sincerely,

Leanne Prevel  
Headteacher
